

GRANDPARENTS'
DAY OF PRAYER
Standing in the Gap

SEPTEMBER 9, 2018

Our grandchildren are being thrust into a confusing, uncertain and turbulent world. Who will help them meet the challenge? The Christian Grandparenting Network believes godly grandparents are in a position to stand in the gap through prayer and help them meet this challenge. The call is being issued to YOU to link arms with grandparents across this land as they gather in their communities and churches to intercede on behalf of our grandchildren and our families.

Join us in this prayer movement because your grandchildren's heart and souls are at stake. Here are details for your community...
